

## Careers at Bethesda North Hospital, Good Samaritan Hospital and TriHealth

Through the combined strength of Bethesda North and Good Samaritan hospitals, and the diverse services offered by more than 50 TriHealth locations throughout Greater Cincinnati and Northern Kentucky, a career with one of our organizations promises challenge and opportunity. Our employees strive to care for people first by providing personalized, compassionate care to patients and their families through an unwavering commitment to the improvement of all aspects of health, including the physical, mental and spiritual. By focusing on values of respect for all people, excellent service, valuing differences and reverence for our spiritual heritage, TriHealth employees provide better care, hands down.

Careers at TriHealth are diverse. From clinical to administrative, sales to service, our employees contribute skills that are as varied as the services we offer and the people we serve. As an employer, TriHealth demonstrates the organization's values by offering comprehensive benefits packages, competitive wages, milestone recognition and an organizational picnic. The career categories below will help you determine the type of job best for you as well as help narrow your search within our web site. We look forward to your joining the Bethesda, Good Samaritan and TriHealth family!
